EXPERIENCES

Juventus First Team Match Allianz Stadium

The incredible and unique experience of attending our
First Team's match directly at the Allianz Stadium

A group of young fans, mostly boys, are seen from the side and back, looking up at a display of trophies. They are wearing black Juventus tracksuits with the club's logo. The trophies are arranged on shelves in a museum setting. The background is dark, and the trophies are illuminated.

Allianz Stadium & Museum Tour

From History to the present.

A journey made of successes and epic moments that you can touch with your hand with a visit to the Juventus Museum and Allianz Stadium Tour. An avant-garde museum dedicated to all football fans and not only.

Combined to the visit of Juventus Museum is the Allianz Stadium Tour, where you can enter the Juventus home and visit the most exclusive zone of the stadium with our guides.

Train with a Juventus Legend

Training with a Juventus Legend and learning from a Bianconeri champion would undoubtedly be a unique and exclusive experience. Juventus is a prestigious football club with a rich history and a tradition of excellence, so being able to engage with former players who have contributed to the club's success would be a memorable event.

Participants would likely gain valuable insights into the game, learn advanced techniques, and receive personalized coaching tips from individuals who have excelled at the highest level.

Service available upon request and availability of the legend

Cultural Activities

We will bring you through an unforgettable experience to discover the best attractions in Turin and in the surrounding area. Choose from the available products and services in each period of the year.
